**VALMEX**® FR 1000 MEHATOP® F Type III

**VALMEX**® TF 400

Design, Concept & Manufacturing:  
MakMax Australia

## The Beach Bar...

...invites the guest to take a seat, lean back and enjoy the beautiful views on the beach. It makes you dream away within a smooth breeze. The membrane convinces with an effective sun protection. That comes with an attractive, textile character and a high translucency. To provide optimized shading and complement the pure design with light colours, the Coolum Beach Bar is built with various Mehler Texnologies' **VALMEX®** materials.
